## STATEMENT ON ABUSE PREVENTION

To protect the people in our care, as well as the staff members and volunteers who serve them, we follow strict policies on abuse prevention. We do everything possible to screen out potential offenders and to prevent abuse from occurring to people in our care. This protects the children from potential wrongdoers, and it minimizes the risk of false allegations against innocent staff members and volunteers. We fully cooperate with authorities in thoroughly investigating any and all allegations.

**We are an Equal Opportunity Employer, committed to valuing diversity and practicing inclusion.**
